THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Marlboro in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Marlboro on Tuesday, the fourteenth day of March, next, polls to be open at one of the clock in the afternoon, business meeting to be held at seven-thirty in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what sum of money the Town will raise for repairs and construction of sidewalks or act in any manner relating thereto.
4. To see if the Town will raise a sum of money for repairs, water storage, equipment, supplies and other expenses of the Fire Department.
5. To see what sum of money the Town will raise for Electric Lights.
6. To see if the Town will raise the sum of \$2,500.00 to aid the Community Nursing Association or act in any manner relating thereto.
7. To see what sum of money the Town will raise for Memorial Day.
8. To see what sum of money the Town will vote for the purchase of tar for highways or act in any manner relating thereto.

9. To see if the Town will vote to accept State Aid on Class V. road, raise and appropriate the sum of \$585.08, the State to give \$3,900.56.

10. To see if the Town will vote to raise and appropriate the sum of \$241 (1/100th of 1% of the valuation of the town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns of the Monadnock Region.

11. To see if the Town will vote to raise the sum of \$1,800 to help maintain the Frost Free Library or act in any manner relating thereto.

12. To see if the Town will vote to purchase a new tractor and front-end loader for the Highway Department and trade-in the present Ford tractor, raise money for the same or act in any manner relating thereto.

13. To see if the town will vote to raise and appropriate the sum of \$500 (five hundred dollars) for the purpose of engaging the services of a consulting engineer to work with the swimming pool committee to examine the proposed site, make recommendations and prepare preliminary cost estimates and layout sketches for an outdoor swimming pool, or act in any manner relating thereto.

14. To see what sum of money the Town will vote to raise and appropriate to support the program sponsored by the Recreation Commission.

15. To see if the Town will vote to raise and appropriate, for hydrant service, the sum of \$3,125.00, this being \$125.00 per hydrant.

16. To see if the Town will raise and appropriate the sum of \$4,175.00, \$1,000 to be used to pay the water note at the Keene National Bank due December 15, 1961, the other \$3,175.00 to make up the deficit of the water works department for 1960 or act in any manner in relation thereto.

17. To see if the Town will vote to authorize the selectmen to act in the best interest of the town in regard to the bequest to the town, by the will of the late Kate Reid.

18. To see if the Town will require all committees, organizations, and institutions requesting and receiving money from the town treasury to publish a complete financial report in the town report or the local newspaper, as to how this money is spent.

19. To see if the Town will raise and appropriate the sum of \$1,217.00 as its fair share of the operating cost of the Elliot Community Hospital.

20. To see if the Town will vote a sum of money to provide police protection for the school children while crossing Main St. or act in any manner in relation thereto.

21. To see if the Town will raise and appropriate a sum of money for installation of Christmas lights and decorations, or act in any manner relating thereto.

22. To see if the Town will vote to raise and appropriate the sum of \$50 for Civil Defense.

22a. To see if the Town will vote to give the selectmen the authority to expend not to exceed \$500, if equipment is available for the use of the Town through Civil Defense.

23. To see if the Town will vote to adopt the provisions of Chapter 171-A of the Revised Laws relative to the playing of games of beano or act in any manner relating thereto.

24. To see if the Town will vote to accept the sums for perpetual care of Cemetery lots received since January 1, 1960.

25. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes.

26. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Collectors' deeds.

27. To hear reports of Town Agents or Committees of other officers heretofore chosen or appointed and pass any vote relating thereto.

28. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and sixty one.

WALTER E. BUCKMINSTER,
ALFRED S. DESPRES,
CHARLES T. RICHARDSON,

Selectmen of Marlboro

FIRE WARDS REPORT

Ending Dec. 31, 1960

The Marlboro Fire Department answered eleven still alarms, three general alarms and two mutual aid calls, one to Keene and one to Harrisville.

In return for our two out of town mutual aid calls we received Mutual Aid for all of our three general alarms which also included trucks from Meadowood in addition.

The Marlboro Fire Department received two very much needed Scott Air Pack Masks and two rechargeable lights which were donated by Mr. Saywood H. Farnum of Cloud Lands, Marlboro, in recognition of "two jobs well done."

The Department has purchased an army surplus, four wheel drive, Power Wagon which is being equipped for forest fire work to replace the Chevrolet. It is our desire to equip the Chevrolet truck with a 3,000 Watt army surplus generator and other rescue equipment which we already have.

The Fire Wards want to express their appreciation to the Marlboro Fire Company, the Mutual Aid System and all the people of Marlboro for their fine cooperation which has made our job a success.

Fire Wards,

LLOYD FRECHETTE,
ARTHUR P. LAURENDEAU,
LEROY P. DERBY,
CLAYTON E. WILCOX,
JOSEPH CHENEY

REPORT OF RECREATION COMMISSION

The summer recreation program was very capably supervised this year by Mr. and Mrs. Lawrence Cross and this program, as in years past, was quite successful. The commission feels that we were very fortunate in being able to employ Mr. and Mrs. Cross because of their qualifications, especially in regard to Mr. Cross' experience as a qualified swimming instructor and life guard.

The baseball field was kept mowed this year and the Commission found it necessary to purchase a new mower, the old one being completely worn out. We were, however, extremely fortunate in that we were able to get a trade-in value of \$25.00 on the old machine toward purchase of the new one. The field is used quite extensively throughout the year, the high school using it in the spring for baseball and in the fall for soccer, and the Little League using it throughout the summer. The black top is flooded for skating in the winter.

The Halloween parade and entertainment was well attended again and we feel it was a good success, considering that it was not possible to have the floats sponsored by the individual classes as in the past, due to the fact that insurance was not available for accidental injury coverage during the parade. We hope, however, to find some such coverage for the trucks involved in an effort to again have these floats. A party was given for children of pre-school age under the supervision of Mrs. Audrey Harris and a party with movies was provided for the younger school children at the Town Hall. A record hop and refreshments, under the supervision of Mr. and Mrs. George Hamilton, was held at the school gym for the junior and senior high students after the program at the Town Hall.

The program again helped with the Red Cross swimming

instruction which was held at Sunset Beach, Harrisville and the Commission sincerely hopes that in the foreseeable future this swimming program will be available in our own town through the use of our own swimming pool or beach.

The Commission is continuing with its long range program in a hopeful effort to have the entire summer playground program at the athletic field. This was the reasoning behind the planting of trees and the installation of the black-top for a tennis-basketball court combination. One more state requirement must be satisfied and this, of course, is the installation of toilet facilities.

The members of this committee wish to take this opportunity to thank, and to express their appreciation to, the Fire wards for use of the fire trucks at the Halloween parade and in flooding the rink and the firemen who have contributed so much time and effort to make these particular programs successful.

We also wish to thank the many local organizations and all the townspeople who have assisted this commission in so many ways in their efforts to make our program successful.

Respectfully submitted,

DAVID E. CHENEY,
IRVIN H. GORDON,
OMER M. DUMONT,
AUDREY P. HARRIS,
FRANK T. ROBINSON,

The Recreation Commission

Report submitted by Irvin H. Gordon as agent for the Commission.

REPORT OF THE SWIMMING POOL COMMITTEE

The Swimming Pool Committee has further explored the possibility of constructing a pool below the ball grounds. We do not feel that a project of this size should be undertaken without professional assistance. We also feel that advice obtained from persons engaged in the construction of pools might not be completely unbiased. We are therefore requesting that the town appropriate the sum of \$500, which sum has been suggested by a firm of consulting engineers, to examine the proposed site and give us cost estimates and a layout and sketches for a pool.

OLIVER F. DERBY,
PRISCILLA RICHARDSON,
WILLIAM O. FRAZER,
ELIZABETH RICHARDS,
OMER DUMONT,
EDWARD L'HEUREUX,

Swimming Pool Committee

REPORT OF POLICE DEPARTMENT

We had 46 accidents, two of these were fatal. The total amount of property damage from these accidents was \$108.47. We had more motor vehicle violations than last year; 2 D. W. I. violations and 12 suspensions of licenses.

The Police Department checked 627 cars for brakes, lights, and various other things. We had 78 complaints of various nature. We had quite a lot of trouble with the juveniles this year. Some of this could be stopped if the parents would check up on them. We had more trouble with dogs this year than we have had in the past. I do wish that they would have their dogs licensed at the time they are due which is May 1.

The police Department bought the following :

Police uniform	\$59 98
2 rubber hats	5 98
1 pair boots	10 98
4 calls to Concord	1 70
flashlight batteries	4 60

We went to Concord twice to the State Hospital, once for a D. W. I. blood test.

I wish to thank everyone that has been helpful to us during the year .

Respectfully submitted,

ERNEST F. THOIN,
Chief of Police

ANNUAL REPORT OF THE FROST FREE LIBRARY

To the president and trustees of the Frost Free Library, the librarian submits the following report for the year October 1, 1959 to October 1, 1960.

The library was open 144 regular days and 25 days for Story Time. The total attendance for Story Time was 524.

Circulation of books, pamphlets and magazines:

Adult Fiction	2097
Adult Non-Fiction	503
Magazines & Pamphlets	1768
Juvenile Fiction	3355
Juvenile Non-Fiction	419
	<hr/>
	8142
Total Circulation	8142

We have borrowed over 75 books for special exhibits from the State Library. We have handled 102 special requests from our patrons to the State Library. We have borrowed eight films from the State Film Library for Story Time use. Three adult films were borrowed. A set of bird slides and two records of bird calls were borrowed from the Audubon Society also. The films and slides were accompanied by a display of books on the subject. The librarian used this program to illustrate one of the services described in her talk on "Library Services."

Books borrowed from the bookmobile:

Adult Fiction	231
Adult Non-Fiction	104
Juvenile Books	746
	<hr/>
Total	1,081

There were 90 new books purchased this year. Mrs. Alice Knight gave the book "The Story of Mount Washington," by Allen Burt, which has been placed on the Memory Shelf, in memory of her father.

The Shieling Group of which we are a member has purchased over 90 non-fiction books. These books have been on our shelves throughout the year. This collection of books is a great asset to our collection. It has been a valuable experience for me to meet with the other towns and help select these books. The Shieling Grants were made by the State Library with the hope that the groups might see the advantages of buying books for our individual libraries in the same manner. We hesitated to adopt this plan because of the bookkeeping involved, however, when the State Library offered to assume this burden and further explained we would be entitled to the 36% discount which they received, there was no doubt in our minds but what this was the only way to purchase books.

We wish to thank those patrons who have so generously given books to our library through the year.

The State Library gave books as door prizes at the fall and spring regional neighborhood meetings. Each library represented received a book. Selection was made from the books on display. Our selection was: "International Cyclopedia of Music and Musicians" which sells for \$20.00 and Lillian Smith's, "The Unreluctant Years," which is a critical approach to children's literature. This book sells for \$4.50.

There has been a great deal of local interest shown in our library. The success of the National Library Week programs is proof for this statement. A former resident of our town, Mr. Wilfred L. Morin, Library Extension Specialist, Library Services Branch, U.S. Office of Education, Washington, D.C. has shown his interest by writing an article reviewing our 1959 N.L.W. program and expressing his cherished memories; the visits to our library and the opportunity to browse through our collection of the great classics. Mr. Morin goes on to say, "These older titles triggered my insight with a world I love and have made my life work. There were books to open many

doors and for that I shall be eternally grateful." His article was printed in the NORTH COUNTRY LIBRARIES, a magazine for N.H. and Vermont libraries and trustees. However, National Library Week Headquarters in New York considered it excellent promotional material so they requested 75 copies which were sent to many states throughout the country. We are indeed proud to have been given recognition by Mr. Morin and we are deeply appreciative of the national publicity his article has given our library.

Recognition should be given the following people for the active part they have taken in the progress of our library :

Mrs. Robert Bennett, who serves as my second assistant.

Mrs. Arthur Knight, who so generously gives her time and talent to conduct Story Time.

Mr. Gerhard Blombach, who served as local chairman to promote National Library Week and his most cooperative committee: Mr. Oscar Croteau, Mrs. Elizabeth Richards, Miss Mary Smith, Mrs. Mary Cheney, Miss Helen Paquette, Rita and Anita Girouard, Nancy Coutts, James Lambert, Paula Cote, Miss Ruth Hemenway and Mrs. Mabelle Page.

Mrs. Walter Buckminister, Mrs. Reginald Mason and Mr. Carrol Richards who so obligingly displayed their hobbies during N.L.W.

A book jacket contest was conducted in the elementary grades through the cooperation of Mrs. Scott, the art supervisor, in observance of N.L.W. A special word of thanks to all who participated.

The winners were: Billy Russell, Godrun Goedicke, Wendy Barrett, Maricka Schmutzler, and David Aiken. Mr. Blombach took them to Concord where they visited the State Library, Concord City Library and the Historical Building.

The work with the schools, both elementary and high school, instructing the pupils in the organization and use of the library has been a stimulating experience for me.

Mrs. Lane's untiring assistance at my home as well as at the

library makes it possible for me to assume the many responsibilities as librarian. I am most grateful for her devotion.

We have made advancing strides in late years with our library and I feel it is because of the active interest our citizens committee for N.L.W. have shown. This years committee felt it was time to publicize the needs of our library as well as its services. They also felt we should make some plans for the future of our library. The mural designed by Mrs. Betty Purchase for N.L.W., very colorfully illustrated the summation of the committee's thoughts on the subject. Let us hope that their plans may soon become a reality.

In closing let me explain the importance of library service. Good library service, regardless of one's place of residence, is essential if the people of this country are to meet their responsibilities as democratic participants in the country which is leading the free world. A good public library has a wide selection of materials on all topics of concern to man and youth living in today's world, and by using all means of communication it helps each individual to grow in wisdom that he may successfully participate in making essential decisions, and enjoy the richness of life to its fullest extent.

Respectfully submitted,

CORINNE NASH,

Librarian

MARLBORO COMMUNITY NURSING ASSOCIATION

Annual Report of the Town Nurse, 1960

To date there has been a total of 514 calls made. This is quite a change from the last few years!

Of these calls 386 were at \$1.00, 26 were at partial pay, 34 were at 50c and 68 were free calls. A total of \$439 was collected. \$152 remains uncollected.

At school 297 physicals were completed with the school physician. Defects seen were as follows:

Dental caries—71	Heart murmers—3
Excess wax in ears—16	Asthma—1
Enlarged tonsils—20	Retracted ear drums—2
Mouth breathers—4	

The nurse has completed eye examinations and taken heights and weights on 382 children. There are 142 with defective vision in school. This figure includes those already wearing glasses. New notices were sent to 49 cases.

Ear examination will be carried on as soon as a testing machine is available.

Minor first aid was administered to 77 students, 8 were transported home after becoming ill at school or having been injured while at school.

One case of Scarlet Fever has been reported to the nurse this year. No other contacts were reported.

Outer footwear (rubbers or overshoes) were found for 3 children. Several pairs of mittens and a warm jacket have also found new homes at school. These items are always welcome to have at school in case a need is seen by a teacher or the nurse. If you have good, outgrown shoes, overshoes, mittens, warm coats or jackets, please keep us in mind. You can contact the nurse or leave items at the nurses' room at school, or at her home.

Respectfully submitted,

MARGARET A. FORD, R.N.

MARLBORO DISASTER FUND,

OLIVER F. DERBY,

Treasurer

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Marlboro qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the 6th day of March, 1961 at 3 p.m. in the afternoon to bring in your votes for the election of the following officials:

1. A moderator for the coming year.
- A clerk for the ensuing year.
- A member of the school board for the ensuing three years.
- A treasurer for the ensuing year.
- One auditor for the ensuing year.

You are hereby further notified to meet at the High School in said district on March 6, 1961 at 8 p.m. to act upon the following subjects: (polls will open not later than 3 p.m. nor close earlier than 9 p.m.).

2. To determine and appoint the salaries of school board members and the truant officer, and to fix the compensation of any other officer or agents of the district.

3. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

4. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund, to-

gether with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will vote to raise and appropriate the sum of one thousand dollars (\$1,000.) to be used for instructional aids and teacher service for an enrichment program in math, science, language, etc. for capable pupils.

7. To see if the district will vote to raise and appropriate the sum of one thousand and one hundred dollars (\$1,100.) to be used as matching funds for Federal Aid for math and science under provision of the National Education Defense Act; and to approve the acceptance of Federal Aid Funds.

8. To see if the district will vote to raise and appropriate the sum of two hundred dollars (\$200.) as the district's share of support for educational television station WENH.

9. (By Petition) "To see if the district will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) for the purpose of installing safety measures and equipment in the Elementary School building to insure egress from the present Third and Fourth Grade rooms."

10. To transact any other business which may legally come before this meeting.

ALDEN J. BEAUREGARD,
ALFRED W. THOMAS,
ALICE R. HILDRETH,

School Board

REPORT OF SUPERINTENDENT TO THE MARLBORO SCHOOL DISTRICT

It is a pleasure to submit to you my second annual report.

The growth in public school enrollments have reached near fantastic figures when compared with early predictions following World War II. The "leveling off" forecast proved very inaccurate, therefore, construction and expansion must take place if we are to maintain our present educational program. School enrollment predictions are a difficult venture as the variables are many; but most important, realizing that the best in education is 'none too good' for our future citizens of tomorrow, we must conscientiously work together to provide adequate classrooms and instruction for all boys and girls if we intend to remain free citizens under our democratic form of Government.

The role of education grows in its importance to the preservation of freedom and the maintenance of our democratic institutions. At the same time, throughout the nation, we are confronted with many problems which bear on education and must be solved. To do less is to invite disaster. The challenge belongs to every citizen, it cannot be shrugged off. Every citizen needs to understand the pressures which are being exerted on school systems everywhere. Most of these pressures revolve around the need for adequate financing, adequate school facilities, additional school construction, adequate supply of good teachers and equal educational opportunities for ALL youth.

From the Engelhardt study recently concluded, I am of the opinion that his results are educationally and financially sound. It is only financially possible to offer the great diversity of curriculum and the depth of instruction that our young people must have today to hold their own with other students in New Hampshire when the smaller communities reorganize to develop larger educational units.

PAUL L. CLARK,

Supt. of Schools

REPORT OF PRINCIPAL OF MARLBORO SCHOOLS

To Paul L. Clark, Superintendent of Schools
Marlboro, New Hampshire

I am submitting my annual report giving certain pertinent information which I think will be of interest to our citizens. These reports seem to be more meaningful if they are as up-to-date as possible so this one covers the period of one year since my last report and does not coincide with fiscal year reports as most school business does.

Population of the Schools

As this report is written, the total membership of grades 1-12 is 386. This is an increase of 8 pupils over the enrollment of one year ago. The table which follows gives a comparison of our enrollment at the start of school in September 1960 with that of September 1959. By studying the enrollments of the elementary grades, it will be seen that in a few years our present grades 7-12 will require additional space. I shall mention this later.

	September 1960			September 1959			
	Boys	Girls	Total	Boys	Girls	Total	Change
Grade 12	11	9	20	11	13	24	— 4
” 11	16	17	33	12	10	22	+11
” 10	20	6	26	18	20	38	—12
” 9	13	19	31	22	8	30	+ 1
	—	—	—	—	—	—	—
H. S. Totals	60	51	111	63	51	114	— 3
Grade 8	24	15	39	13	16	29	+10
” 7	20	15	35	22	17	39	— 4
	—	—	—	—	—	—	—
J. H. Totals	44	30	74	35	33	68	+ 6

		Boys	Girls	Total	Boys	Girls	Total	Change
Grade	6	16	12	28	19	14	33	— 5
"	5	19	17	36	16	13	29	+ 7
"	4	15	11	26	18	15	33	— 7
"	3	18	17	35	18	10	28	+ 7
"	2	19	20	39	17	20	37	+ 2
"	1	19	26	45	19	20	39	+ 6
		—	—	—	—	—	—	—
Elem. Total		106	103	209	107	92	199	+10
Grand totals		210	184	394	205	95	381	+13

From these figures, it can be seen that since September our enrollment has decreased by six pupils. This is, of course, not unexpected as we get a certain amount of fluctuation as families move in and out of town. Of the above number, 45 are tuition pupils from Harrisville, Dublin and Roxbury.

Personnel

All of our elementary staff returned in September. An additional teacher was hired, however, to provide better instruction by reducing the teacher load in the lower grades. Mrs. Freda Hastings, who had been teaching grade 6 was given a combination room with second and third grade pupils and Richard Joy, a 1960 graduate of Keene Teachers College, took over her duties. Mr. Joy has been very helpful in organizing playground activity and in assisting with discipline and pupil safety. Mrs. Pearl Care replaced Mrs. Hester Underhill as special teacher in natural sciences.

Miss Barbara Rousseau, a 1960 graduate of Plymouth Teachers College, is teaching commercial subjects, replacing Mrs. Blakeslee who moved from town and Lewis Major is teaching part of the program formerly taught by Fred Norris who is now teaching in the Air Force. Miss Labrie returned from her year abroad and resumed her duties in the English department. Mrs. Elizabeth Richards, a former Marlboro teacher, was hired as the additional teacher authorized at the last district meeting. All members of both staffs are doing a conscientious job and are dedicated to the welfare of the pupils.

I personally feel that we are fortunate to retain a staff of the quality we have. There have been no changes in custodial staff or lunchroom personnel.

Educational Program

The pressures from all sides upon today's high schools steadily increase. Post secondary schools are asking for our graduates to have done better quality work in greater quantities than ever before and prospective employers set rigid standards to be met by young people considering entering apprentice training or just looking for work. Even the various branches of the Armed Forces have raised the requirements for those they will accept. Standards set for accreditation of schools are being raised periodically.

All of the above factors call for greater performance by students and staff. In some cases our school has been accused of being too demanding but it seems to be the only way to meet the challenge we are facing. It is not right to permit able young people to graduate with less knowledge than they could have acquired. We have attempted to do a better job by using more ability grouping and by increasing the number of offerings and the frequency of them. All of the subject matter areas have been adjusted to greater or less extent. This has caused the demand for more teachers and they, with rising costs of supplies and equipment, cause budget increases. This trend will continue if we meet our obligations.

Accreditation

Our school is rated as a Comprehensive High School by the New Hampshire State Department of Education and is accredited by the New England Association of College and Secondary Schools. We hope to be able to maintain our status in both situations. New Hampshire standards are being studied this year and some upward revision will probably be in effect by September. From what little I have learned of the study, we will probably still meet comprehensive standards without too much change.

Plant and Facilities

I will not spend much time on this topic except to note that our plants are being maintained in good condition and the new building is extensively used by our groups. We have added quite a bit of equipment in the areas of Science, Mathematics and Foreign Language by use of matching funds under the terms of the National Defense Education Act and I hope our citizens continue to support this program. The Parent-Teacher Association donated a public address system for the auditorium and assisted in bringing cable TV to the elementary building. Several elementary grades regularly use the programs of Channel 11.

Plea to Parents

The responsibility for getting our students ready for what they face after graduation must be shared by the parents. The need for work of the best quality possible is apparent. This quality can only result from regular and punctual attendance, good preparation and healthy children who get sufficient rest. The part to be played by parents is self evident. Do not handicap your children by permitting them to form poor habits or by failing to do your part in keeping them in top physical and mental condition!

Alumni

We are seeing graduates of our school go to advanced training schools and for the most part they bring credit to themselves and to us. Our young people are widely distributed and have some very fine positions. Approximately half of each class takes advantage of higher education. Several of those attending schools have received assistance from the Pease, Davis and Tarbox educational funds.

Enrichment Program

Several of our able students are taking advantage of the opportunity to get a look at college work by attending courses offered at K.T.C. on Saturday morning. Since the last re-

port, we have operated four such courses and expect to have two more during this semester. This program is sponsored in cooperation with Troy. I hope that the district will continue to make funds available for it.

Grades 1-6

At this time we have eight full-time teachers working with grades 1-6. There are two first grades with a total of **44** pupils, a second grade with **28** pupils, a combination second and third grade with **23** pupils and a third grade of **24** pupils. Each of the other three grades is taught as a unit. This building will not house any more groups so there may be times when some of the groups are larger than desirable.

The Joplin reading plan is working well as indicated by test results. Study may soon be given to grouping elementary pupils in some other areas. In this way pupils are enabled to move at the speed at which they are capable.

The teachers in grades three through six are using the television set to pick up the programs that are broadcast on Channels 2 and 11. Some of these are especially good. Reception is very satisfactory since the installation of the cable.

Members of the sixth grade participated in a week of outdoor education last May at Camp Union. This continues to be a worthwhile experience and our present class is scheduled for a week at camp later this year.

Looking Ahead

The future of Marlboro's schools came in for considerable debate and discussion during the past summer and fall. The vote indicated that the citizens preferred to continue to maintain their own high school. The vote not to join the cooperative district did not solve all the problems as I am sure people realize. The new building is now nearly full and we are getting ninety-six per cent utilization of space as compared to a national average of eighty-four per cent. Probably the worst single feature at present is the need for pupils to

study in the rooms where classes are being conducted. This happens every period in the day.

During the next two or three years indications are that the number of seventh graders to be admitted each fall will be greater than the number of seniors that were graduated in June. This increase of members will make it impossible to open school in September 1964 and offer our same program in the present space unless we go to a two shift plan. Our minimum needs will be another Science laboratory, a combination language laboratory and classroom, a **study hall**, a larger library and some storage space. This problem should be carefully studied and approached with open minds.

Conclusion

I have worked in these schools for a long time and have seen many groups graduate and go in different directions. Several changes have occurred in our system during these years. More must occur as time passes if we are to keep pace with the demands made upon young people. Our citizens have supported the changes that have been requested and can well be proud of their efforts. I have faith that they will continue to provide a good education. We have a good staff, many members of which have been in the system a long time. I know that you can count upon their continued loyalty in our educational efforts.

Respectfully submitted,

IRVIN H. GORDON,
Principal

MEETING OF THE MARLBORO SCHOOL DISTRICT

March 2, 1960

Meeting called to order at 3:00 P.M., March 2, 1960 by Moderator Ralph A. Pierce and warrant read. The election officials were qualified. The moderator declared the meeting open under Article 1 calling for the election of a moderator, a clerk, a member of the school board for three years, a treasurer, and an auditor under the Non-partisan Ballot System.

The meeting was further called to order at 8:00 P.M., March 2, 1960 by the moderator to act upon the following subjects. After reading the warrant, the moderator called upon Mrs. Alice Hildreth who introduced Superintendent of Schools Paul Clark. The Moderator then gave the voters present the opportunity to ask questions in regard to the cooperative school and the proposed study relating to it. The moderator then ruled that there would be no further discussion of a cooperative school during the meeting.

Article 2. Voted favorably on the motion of Alice R. Hildreth that we accept the salaries as printed in the budget.

Article 3. Voted favorably on the motion of Charles B. Knight that the reports of agents, auditors and committees be accepted as printed with the provision that the meeting has the opportunity to change this in any future article.

Article 4. Voted favorably on the motion of Alfred W. Thomas that we pass over this article. This was objected to by Charles B. Knight on the grounds that the article called for election of an auditor which was also embraced under Article 1. Voted favorably on the motion of Charles B. Knight that we refer this article to Article 1.

Article 5. A motion of Alice R. Hildreth that the

school district raise and appropriate the sum of \$154,312.41 for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town failed to receive the necessary support to allow discussion before a motion by Hector P. Dionne, and supported by Leslie Knight, was made that the budget be voted item by item. Mr. Dionne's motion was lost on a voice vote. Mrs. Hildreth then reintroduced her original motion as stated above and it was passed on a voice vote.

Voted favorably on a motion of Hector P. Dionne that we move Article 11 ahead of Article 6.

Article 11. Voted favorably on motion of Hector P. Dionne that we vote the sum asked for in Article 11.

Article 6. Voted on motion of Priscilla B. Richardson that the provisions of this article be adopted. The vote was favorable.

Article 7. Voted favorably on the motion of Alden J. Beauregard that the district raise and appropriate the sum of one thousand and one hundred dollars to be used as matching funds for Federal Aid for math and science under provisions of the National Education Defense Act and to approve the acceptance of Federal Aid Funds.

Article 8. Voted favorably on the motion of Alfred W. Thomas that we accept this article as read.

Article 9. Voted favorably on the motion of Hector P. Dionne that we postpone this article indefinitely.

Article 10. Voted favorably on the motion of Alfred W. Thomas that the district vote to raise and appropriate the sum of four thousand dollars to hire an additional teacher to ease the heavy enrollment in Grades 2 and 3.

Article 12. Voted favorably on the motion of Charles B. Knight that we return to Article 1 and continue to operate under Article 1 until adjournment is in order. Voted favorably on the motion of Alice R. Hildreth that the polls be closed at 9:00 P.M.

The hour of 9:00 P.M. having arrived, the polls were closed, the ballots were examined and the votes for the various candidates were counted by the moderator, in the presence of the district clerk and the other election officers. When the counting was completed the result of the count was declared and publicly announced by the moderator as follows:

Total number of votes cast	64
For Moderator	
Ralph A. Pierce received	64 elected
For District Clerk	
Oliver F. Derby received	63 elected
For School Board Member	
Alice R. Hildreth received	60 elected
Carl Christopherson received	1
Carl Johnson received	1
For District Treasurer	
Oliver F. Derby received	62 elected
For Auditor	
Rachel Ohman received	35 elected
Oliver F. Derby received	1
All officers elected and present were qualified.	

The meeting was declared adjourned by the moderator at 9:20 P.M.

Attest: OLIVER F. DERBY,
 District Clerk

MINUTES OF THE SPECIAL SCHOOL MEETING OF THE MARLBORO SCHOOL DISTRICT HELD ON NOV. 17, 1960

Meeting called to order at 1:00 p.m. by Moderator Ralph A. Pierce and warrant read. The moderator declared the

meeting open under Article 1, "To see if the district will vote to petition the State Board of Education to become a member of a cooperative school district which may include, in addition to this district the following school districts, namely Winchester, Swanzey, Richmond, Troy, Fitzwilliam, Harrisville, Roxbury, and Chesterfield."

A motion was introduced by Mr. Roland A. Whitney as follows, "I move the adoption of the following resolution: Resolved that the Marlboro School District petition the State Board of Education to become a member of a cooperative school district which may include, in addition to this district the following school districts, namely, Winchester, Swanzey, Richmond, Troy, Fitzwilliam, Harrisville, Roxbury, and Chesterfield." The motion was seconded by Mr. Hector Dionne.

An objection was raised to the motion by Mr. Geoffrey Frechette and a legal opinion was called for by the moderator from Mr. Homer Bradley, counsel. Mr. Bradley stated that the law required that a motion be placed on the floor before a vote could be taken on the article. A standing vote was taken showing forty-eight in favor of allowing the motion to be introduced and one opposed.

The moderator then called for the voters to come forward and prepare and cast their ballots.

At the hour of 8:00 P.M. the polls were closed, the ballots were examined and counted by the moderator in the presence of the district clerk and other election officials. When the counting was completed the result of the count was declared and publicly announced by the moderator as follows:

Total number of votes cast	705
Number of "NO" votes	487
Number of "YES" votes	218

The moderator declared that by their action the voters had turned down Article 1.

A motion was then introduced by Mrs. Alice Knight and seconded that the district reconsider the question within six

months as the law specifies, at a special school district meeting to be held in this high school at 8 P.M. on the evening of April 27, 1961. The moderator called for a voice vote and the motion failed to carry.

The moderator then declared that Article 1 having failed to pass, that no action could be taken on Article 2 and that the meeting was adjourned at 8:35 P.M.

This is a true copy. Attest:

OLIVER F. DERBY,

District Clerk

NOTES

- A Paid \$212.50 from income available from the CHARLES C. WARD TOWN FUND to pay for 1960 Christmas lighting as voted by the Town.
- B \$110.00 GRANVILLE CLARK CEMETERY FUND: Created Sept. 14, 1960 by himself; the income to be used only for the perpetual care of lot No. 171 in Pine Grove Cemetery.
- C The Savings Bank of Walpole actually paid $3\frac{5}{8}\%$ interest but changed dividend dates from July 1 and January 1 to June 1 and December 1 which gave us 11 months interest in our 1960 calendar year to average 3.44% as far as we are concerned.
- D Gross interest earned was \$1,250.00 minus \$90.00 bond cost or \$1,160.00 net interest.
- E A one share stock dividend was declared during the year increasing the shares owned from 20 to 21.

Respectfully submitted,

TRUSTEES OF TRUST FUNDS,
TOWN OF MARLBORO, N. H.
ROLAND A. WHITNEY,

I certify the above deaths are correct to the best of my knowledge and belief.

OSCAR F. CROTEAU,

Town Clerk

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — Use your ash tray.
5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

No. of local fires 0

No. of acres burned 0

No. of permits issued 174

CORNELIUS WOOD, District Chief.

FRED R. CLARK, Forest Fire Warden.
